

People and Community Engaging

Come join us in our newly created, weekly drop-in walking/hiking club we're calling PACE.

Why would I want to join?

You can make new friends, get some exercise & talk about school, your kids, their teachers, anything! If you are an English Language Learner (ELL), come practice speaking conversational English during our walks.

Where & when do we meet?

We meet outside the front doors of Woodridge Elementary **every Wednesday at 9 a.m.** after dropping off our children.

Where will we walk?

At the beginning, we will walk around the Woodridge neighborhood. In November, we may try other neighborhoods or walking/hiking trails.

How long will the walk last?

We can decide after the group meets up in front of the school. Plan on 1-2 hours.

Will it be an easy or difficult walk?

Again, we can decide after the group meets up if we want to walk a flat path or one that's more difficult. It can vary at every meeting.

Do I have to come to every walk?

No. It's on a drop-in basis. You come when you can, when you want, when it's convenient. The more often you come, the more people you will meet, the more you will feel engaged or connected in the Woodridge community.

Can I bring my younger children who are not in school yet?

Yes. Feel free to bring kids in strollers or carry infants.

sponsored by the Woodridge Elementary PTSA.
