

Traveling Outside the Country this Spring or Summer?

As part of our Bellevue Information Literacy curriculum, I will be doing a unit using picture postcards from anywhere in the world outside the US. If you could send me a picture postcard from one of your destinations using the following guidelines, I'd really appreciate it (and so will the third graders)!

1. Select a card that illustrates something about that country (architecture, geography, customs, people, foods, etc.)
2. Record the date you wrote the message on the card
3. Include in the message....
 - Weather?
 - Customs?
 - Sights to see?
 - Food?
 - Entertainment?
 - Transportation?
 - Customs?
 - Other helpful information?
4. Sign your name

Please print so the third graders can readily read your message (you can even use a pen-name if you want to).

Thanks!
Linda Peterson

PS. Cut these out and tape them on your postcard. So easy!!!
