Do you want to compete on a year round swim team?

Chinook Aquatic Club would like to invite you to participate in a tryout.

Chinook Aquatic Club, a non-profit organization, has been training young people in healthy athletic competition since 1976. We take pride in the accomplishments of our swimmers who have gone on to win National and Olympic championships, but we also see the swimming experience as one which provides important life skills to all our members, regardless of age or ability.

Goal setting, persistence, self-discipline and positive thinking are some of the attributes swimmers take with them into all aspects of their lives.

Chinook training groups are organized by ability level so that swimmers develop skills at their own pace. Swim meets are organized throughout the year for ability levels, so that even novices can participate in the competitive experience. Chinook Aquatic Club is registered with United States Swimming, the governing body of competitive swimming.

**Come tryout at 6:00 pm every Monday
at the Bellevue Aquatic Center (601 143rd Ave NE, Bellevue)
by the Blue Lagoon Pool (lap pool) and ask for a Chinook coach**

*Open to all ages and ability levels

*practices after school
